

Nandini Mosuri

Date of birth: feb 9 2007
Nationality: Indian
Phone number: 8074473633
Email address: nandinimosuri@gmail.com

WORK EXPERIENCE

Engineering Student

- Collaborated on engineering projects applying theory to real-world problems in mechanics and materials science.
- Co-developed a sustainable energy device prototype achieving 30% higher efficiency.
- Researched material properties and presented findings at a student conference.
- Used simulation software to reduce design flaws by 20%.
- Supported STEM outreach, engaging 100+ high school students in hands-on engineering activities.

EDUCATION

Undergraduate Diploma

Pupil tree em high school

📅 03/2021 – 05/2022 📍 GOPAVARAM, INDIA

Intermediate

Aditya Junior College

📅 06/2022 – 05/2024 📍 RAJAMUNDRY, INDIA

Engineering

Aditya University

📅 07/2024 – present 📍 SURAMPALEM, INDIA

SKILLS

Basic Programming

Data Analysis

python

Problem Solving

Html/CSS

HOBBIES

Exploring distant lands

Video editing

Capturing moments

Feeling the music

Every kind of sports

GOAL

Engineering student with 2+ years of experience in programming, data analysis, and problem-solving. Skilled in Python, HTML/CSS, and collaborative software development. Aspiring to grow into a successful software engineer and advance to senior roles.

STRENGTHS

Collaboration # Research # Communication # Initiative
Leadership # Presentation
